Greater Harrisburg USBC

We all know that membership has declined nationwide as people now have so many options for entertainment that draw them away from league bowling. The National USBC continues to search for ways to attract new league bowlers and hold on to current members. They are testing new programs to try to reverse the trend of losing league bowlers every year. The "merge" that occurred 7 years ago was the beginning of a new era. It has become imperative that administrative functions and finances be "streamlined" to accommodate the reality of declining membership. Those of you, who are reading this letter, are most likely not the demographic these new programs are targeting. If you are reading this, you are probably a long time league bowler who loves this game enough to make it a priority. THAT is what USBC is attempting to accomplish with these new programs. They want to create a new base of bowlers who, like you, truly care enough about the sport of bowling to understand the benefits of USBC membership. I encourage you to support the efforts of USBC. Be positive about league bowling, and share that enthusiasm with family and friends that may be contemplating joining a league.

As I reflect back on my tenure as president of GHUSBC for the past 6 years, I have witnessed this association grow in confidence and efficiency. After some initial growing pains, we have become a financially responsible, effective organization, providing the services and guidance you are entitled to. We continue to look for ways to improve and be responsive to your needs. As I have reached the end of my term as president, I want to thank the GHUSBC board of directors for their tireless dedication and contributions to this organization. Lastly, I want to offer a very special thank you to our association manager Barb Bair. Her contribution to the success of this organization cannot be overstated. Very few people realize the time and effort required to manage an association such as ours. Each and every member of GHUSBC can be grateful that we have such a competent, caring and dedicated individual in Barb. Please continue to give her your support and cooperation.
